Summer 2024 Newsletter

As we approach June 30th, it is hard to believe that we are halfway through 2024. The first half of 2024 was very eventful. We celebrated the Wildlife Festival in Claxton and the Sweet Onion Festival in Glennville. In Reidsville, the construction of our newest branch office is well underway. Georgia Southern graduated another 4,000 students this spring in Statesboro, and Ludowici continues to grow in leaps and bounds. 2024 has been a great year so far, and we are very proud of the communities we serve.

With that said, scams and fraudulent activity continue to be very common. Please monitor the activity on your accounts daily and contact us with any questions. You can stay connected with your accounts via our mobile and online banking applications. Also, please remember that we will not contact you and ask for any personal financial information.

At GB Bank Group, we are very thankful for the many blessings we receive daily, and our customers are our most treasured assets. Our Family of Banks, in Glennville, Ludowici, Statesboro, Reidsville, and the Tippins Bank in Claxton are ready to address your financial needs. We are neighbors helping neighbors. You can bank on us.

President/CEO

We have a couple of holiday closures coming up this season that we want our customers to be aware of:

- ① Thursday, July 4th: Independence Day
- ② Monday, September 2nd: Labor Day

Please make your banking plans accordingly.

Shibumi Shade Giveaway 🎉

The sun is shining and the weather is warming up which has all of us at GB Bank ready for summer! To celebrate and kick-off summertime, we did a Shibumi Shade Giveaway in May. The winner was selected at random and ended up being Laura Schuler! We hope she enjoys her shade all summer long! Thank you to everyone who participated in our giveaway.

We broke ground on the new Reidsville Bank building in February! After 14 years of operating in their current location, this branch is getting a new, larger space to serve our customers better in. It will be 3,200+ sq ft and constructed by WES Construction with a projected timeframe of 12 months. The growth of our group of small-town banks is so exciting to watch and be a part of!

Making deposits at one of our convenient locations is as easy as 1,2,3 📱
