Summer 2025 Newsletter

Summertime means that we are halfway through 2025. We accomplished a lot during the first half of this year. We completed and opened our newest branch office in Reidsville, and we have started expanding our drive-thru and installing a generator at our Tippins Bank Highway 301 branch office in Claxton. Additional projects involving other branch offices are in the early planning stages as well. Quality service points are important to us.

At GB Bank Group, we are committed to maintaining a local presence in our markets. We want you to be able to come inside any of our physical locations for service. However, with today's technology, you can have the best of both worlds. We are here for you if you need us, but you can also access your accounts online. Our mobile application has made it a lot easier for customers to actively manage their accounts and check cards. Customers can make remote deposits and monitor check card activity using their cell phones. Also, we recently implemented Zelle which can be used to transfer funds, and we digitalized our check card which can be used to make purchases with your mobile wallet. Contact a customer service representative today to find out more about our recent improvements.

We were also very pleased again this year to be able to provide several scholarships to deserving high school seniors throughout our operating area. An investment in the education of our future workforce is a wise investment. It is rewarding to know that we have played a small role in the success of our local students.

As you navigate through your daily activities, please remember that criminals continue to use scams and deception to prey on unsuspecting victims. Our customers should monitor the activity in their accounts daily and contact us with any questions. Stay connected with your accounts using our online and mobile banking applications. **If you are called by anyone asking for your personal financial information, please hang up and call us immediately. We will not contact you and request any of your personal financial information.**

At GB Bank Group, we realize that our success depends on our customers, and we are very thankful for your continued support. If you are an existing customer or if you are considering a change, please give us a call. Our Family of Banks, in Glennville, Ludowici, Statesboro, Reidsville, and the Tippins Bank in Claxton are ready to assist you. We would be happy to discuss your needs. You can bank on us.

We have a couple of holiday closures coming up this season that we want our customers to be aware of:

- ① Friday, July 4th: Independence Day
- ② Monday, September 2nd: Labor Day

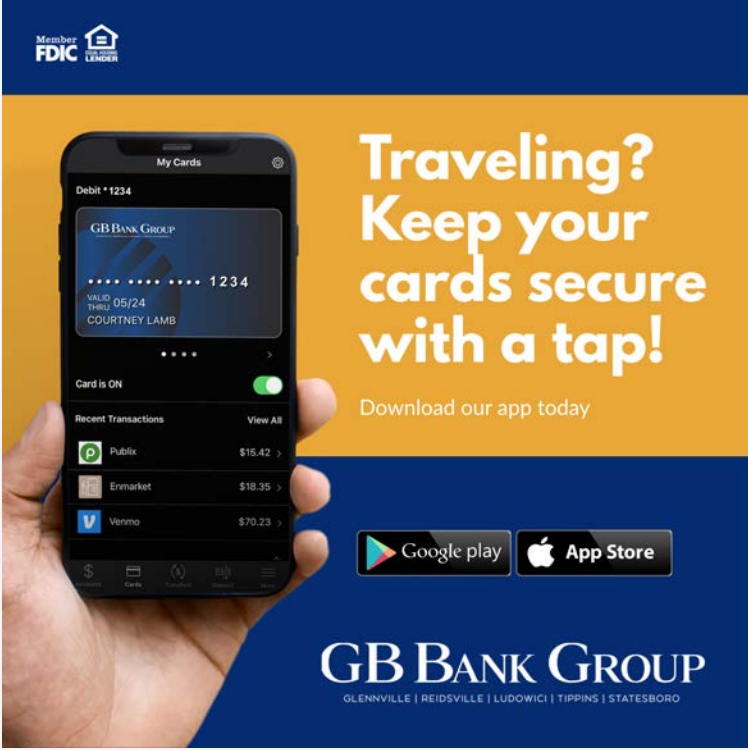

Please make your banking plans accordingly.

We celebrated the Grand Opening of the new Reidsville Bank building on May 16th! After 15 years of operating in their old location, this branch has more space to better serve our customers. It is 3,200+ sq ft and constructed by WES Construction. The growth of our group of small-town banks is so exciting to watch and be a part of! Thank you to all who came out and celebrated with us.

Turtlebox Giveaway 🐢
The sun is shining and the weather is warming up which has all of us at GB Bank Group ready for summer! To celebrate and kick-off summertime, we held a Turtlebox Giveaway in May. The randomly selected winner was William Altman! We hope he enjoys his turtlebox all summer long! Thank you to everyone who participated in our giveaway.
